Set out below is a summary of the decisions taken at the meeting of Maldens and Coombe Neighbourhood Committee. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

Decisions 3 to 6 may be called in for review by a minimum of 100 people who live, work, study, or own a property or business in the borough. A call-in must be submitted in writing and identify the decision to be called in and the reason for it being called in. It must be apparent from the document that each person who has subscribed to it is clear as to the decision being called in and the reasons for the call-in. Each person subscribing to the call-in document must sign it individually and include their name and address.

Electronic signatures are acceptable but the organisers of call-ins are strongly advised to gather online signatures using the petitions tool on the Council’s website linked below in order to help ensure compliance with the requirements of the call-in scheme.
