

SOUTH OF THE BOROUGH NEIGHBOURHOOD COMMITTEE

TUESDAY 29 JUNE 2021

DECISIONS

Set out below is a summary of the decisions taken at the meeting outlined above. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

Decisions **1 to 4** may be called in for review by 442 residents for the South of the Borough neighbourhood

A call-in must be submitted in writing and identify the decision to be called in and the reason(s) for it being called in. It must contain sufficient information to enable Councillors and Officers to adequately prepare any review by the Scrutiny Panel. The grounds for call-in are either that:

- The decision is inconsistent with established policy;
- There was a failure to meet statutory consultation requirements;
- There was a failure to consider a material consideration;
- There was a procedural impropriety and/or insufficient legal or financial advice was obtained; or
- Significant new relevant issues have been raised which were not previously considered by the decision making committee.

Call-ins which, in the opinion of the Monitoring Officer, after consultation with the Chair of the Scrutiny Panel, are vexatious, frivolous or contain hateful, offensive, profane or vulgar language will not be accepted.

Please refer to Part 4C (Community Call-in Procedure Rules) for further information.

Signatures must be submitted either in hard copy to Democratic Services or through the petitions portal on the Council's website. **Signatures gathered on third party websites or in any other electronic form will not be accepted.** Each person subscribing to the call-in document must sign it individually, either in hard copy or electronically on the petitions portal and include their name and address.
