Annex 1
<p>| <strong>The Phoenix Club</strong> | This is an ongoing project - we have been going now for just over 4 years. All members benefit by socialising with other people - they are able to get out and mix and have fun we do several different activities and once a month we go to crazy golf and ten pin bowling we have also had several outings this year - probably one each month - thanks to the money that we received | 1000 | The Council funds us £8000 a year towards the cost of the rent of our room - leaving us with £4000 to pay out of club funds also we have received your money you decide for the last two years |
| <strong>Kingston Borough Bands Tattoo</strong> | This is the 4th bi-annual KBBT which promotes youth music bands to come and perform marching displays at Tolworth Recreation Centre. The last 3 events have had over 500 performers at each event, we put on for each band a venue to perform with a large audience changing facilities and refreshments. This culminates in a massed band finale where every band performs together conducted by a professional musician from the Irish Guards Band. | 1000 | No |
| <strong>Surbiton Royal British Legion Youth Marching Band</strong> | The funding will be used to buy uniforms and boots for the bands younger cadets and new members. The band would also like to buy Sibalius a music writing program for the members to use. | 666 | Kingston small grant (£500) and South of the Borough neighbourhood grant. (£750). Both grants were used for their 50th Anniversary concert in June 2015 |
| <strong>Surbiton South Explorer Scouts</strong> | In the new school term, the unit will be bigger than ever; we plan to undertake several camps over the course of the year; currently we do not have enough equipment to cater for our increasing numbers. If chosen we will spend the money on new tents to enable us to take away the entire unit. As of Sept we will be looking after 35 plus Explorer Scouts. | 350 | None |
| <strong>Oxygen - &quot;What's the Point?&quot; - Tackling Knife Crime</strong> | We are seeking funding to continue to develop and deliver “What’s the Point?” our knife crime project at Southborough High School. This has been a hugely successful piece of work that has received excellent feedback from young people, parents and teachers. The project is focused around working with a core group of pupils who are trained as peer-educators to deliver the project to an entire year group within their school. | 633.33 | Emerging Needs and New Initiatives Small Grant Strategic Partners |
| <strong>Feel Good Fortnight</strong> | Hook and Chessington Library would like to offer a series of talks and activities to help promote healthy and active lifestyle, encourage and support people in taking responsibility for their wellbeing as well as provide a social outlet, thus meeting the targets of The Kingston Plan. The project aims to establish partnership between the Library service and organisations which support healthy and stronger communities. | 1000 | Yes |</p>
