HRA Sites Affordable Housing Development Feasibility Study

Reference from Housing Sub-Committee - 13 September 2016

1. Officers have recommended that the following two sites be withdrawn from the scope of the report:
 - Garages 58-64 Marshall House off Rodney Road
 - Garages 16-11 Downfield House.
2. Clarification has been sought on whether the garages site on Selby Close is on Metropolitan Open Land (MOL). Since the the publication of the agenda it has been confirmed that Selby Close is not on MOL.
3. The Committee are asked to note that should the recommendations be agreed they will be implemented subject to being approved by Council.
