- B. Admission numbers for community schools (p8)
- C. Scheme for co-ordinated secondary admissions (p9 and Annex 2)
- D. Scheme for co-ordinated primary admissions (p9 and Annex 3)
- E. In-Year Admissions Scheme for all maintained schools in Kingston (p9 and Annex 4)

A Admissions criteria for community schools

Proposed admissions criteria for Community Secondary Schools

1. The proposed oversubscription criteria for September 2020 for the community secondary school, Chessington School, are as follows:

Where more applications are received than there are places available, places will be offered in the following order of priority:

- i. ****Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (e.g. from a social worker);**
- ii. places will be offered next to children who have a brother or sister, including an adopted, foster, half- or step- brother or sister, living at the same address and attending the same school at the time of admission;
- iii. places will then be offered in cases of exceptional family, social or medical need (which must be described on the application form and verified by professionally supported evidence) which makes the school concerned the most suitable one for the individual child;

- iv. places will then be offered to children of members of staff who have been employed at the school for two or more years at the time of application and will continue to be employed at the school at the point of admission or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
- v. the remaining places will be offered to children who live nearest to the school, as measured by a straight line to the nearest school gate. All distances will be measured using the School Admissions computerised Geographical Information System.

If there are more applicants within each criterion, distance from home to school will be used as a tie-breaker and will be measured using the School Admissions computerised geographical information system.

For applicants from the same block of flats or who live the same distance from the school, random selection by the drawing of lots is used as a final tie-breaker.

If a parent applies for entry into the same year group for more than one child and there is only one place available, random selection by the drawing of lots is used as a final tie-breaker to decide which child should have the place. The remaining brothers or sisters will be added to the waiting list in accordance with criterion (ii).

Proposed admissions criteria for community Infant and Primary Schools

- 2. The proposed oversubscription criteria for community infant and primary schools are as follows:

Where more applications are received than there are places available, places will be offered in the following order of priority:

- i. ****Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (e.g. from a social worker);**
- ii. places will be offered next to children who have a brother or sister, including an adopted, foster, half- or step- brother or sister, living at the same address and attending Reception to Year 6 at the same school (or the paired junior school) at the time of admission;
- iii. places will then be offered in cases of exceptional family, social, or medical need (which must be described on the application form and

verified by professionally supported evidence) which makes the school concerned the most suitable one for the individual child;

- iv. places will then be offered to children of members of staff who have been employed at the school for two or more years at the time of application and will continue to be employed at the school at the point of admission or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
- v. the remaining places will be offered to children who live nearest to the school, as measured by a straight line to the nearest school gate. All distances will be measured using the School Admissions computerised Geographical Information System. For Ellingham Primary School (in Chessington) only, a child living in the Malden Rushett area will have priority over children who live nearer to the school but outside that area.

If there are more applicants within each criterion, distance from home to school will be used as a tie-breaker and will be measured using the School Admissions computerised geographical information system.

For applicants from the same block of flats or who live the same distance from the school, random selection by the drawing of lots is used as a final tie-breaker.

If a parent applies for entry into the same year group for more than one child and there is only one place available, random selection by the drawing of lots is used as a final tie-breaker to decide which child should have the place. The remaining brothers or sisters will be added to the waiting list in accordance with criterion (ii).

Proposed admissions criteria for community Junior Schools

- 3. The proposed oversubscription criteria for community junior schools are as follows:

Where more applications are received than there are places available, places will be offered in the following order of priority:

- i. ****Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (e.g. from a social worker);**
- ii. places will be offered secondly to children attending the “paired” community infant school*;

- iii. places will be offered next to children who have a brother or sister, including an adopted, foster, half- or step- brother or sister, living at the same address and attending Reception to Year 6 at the same school (or the paired infant school) at the time of admission;
- iv. places will then be offered in cases of exceptional family, social or medical need (which must be described on the application form and verified by professionally supported evidence) which makes the school concerned the most suitable one for the individual child;
- v. places will then be offered to children of members of staff who have been employed at the school for two or more years at the time of application and will continue to be employed at the school at the point of admission or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
- vi. the remaining places will be offered to children who live nearest to the school, as measured by a straight line to the nearest school gate. All distances will be measured using the School Admissions computerised Geographical Information System.

riterion ii) will only apply until 31 August 2020, when the applicant will have left the paired infant school

If there are more applicants within each criterion, distance from home to school will be used as a tie-breaker and will be measured using the School Admissions computerised geographical information system.

For applicants from the same block of flats or who live the same distance from the school, random selection by the drawing of lots is used as a final tie-breaker.

If a parent applies for entry into the same year group for more than one child and there is only one place available, random selection by the drawing of lots is used as a final tie-breaker to decide which child should have the place. The remaining brothers or sisters will be added to the waiting list in accordance with criterion (ii).

Proposed admissions criteria for Community Nursery Schools

4. The proposed oversubscription criteria for community nursery schools are:

Where more applications are received than there are places available, places will be offered in the following order of priority:

- i. **Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after. - iv. places will then be offered to children of members of staff who have been employed at the school for two or more years at the time of application and will continue to be employed at the school at the point of admission or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;

The remaining brothers or sisters will be added to the waiting list in accordance with criterion (ii).

****Under community school admissions criteria for secondary, primary, junior and nursery admissions the definition of Looked After Children and previously looked after children is as follows:**

Looked After Children

Children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22 of the Children Act 1989, at the time an application for a school is made;

Previously Looked After Children

Children who were previously looked after, but ceased to be so because they were adopted (under the Adoption Act 1976 or Adoption and Children's Act 2002), or became subject to a child arrangements order or special guardianship order.

Measuring home to school distance

5. The Council has a standard method of measuring home to school distance in a straight line using the School Admissions computerised Geographical Information System using data supplied by Ordnance Survey (OS).

The starting point is a grid reference point, which is supplied by Ordnance Survey. Residents of every floor level in a particular block of flats are given an identical start point, regardless of the distance to ground floor level.

The end point is measured to the nearest school gate where the school has more than one school gate used for measuring home to school distances

Use of a final tie breaker

6. For applicants from the same block of flats, or who live the same distance from the school, random selection by the drawing of lots is used as a final tie-breaker. The distance from home to school is used as a 'tie-breaker' if there are more applications than places available under any higher criteria.
7. If a parent applies for entry into the same year group for more than one child and there is only one place available, random selection by the drawing of lots is used as a final tie-breaker to decide which child should have the place. The names of the remaining brothers or sisters will be added to the waiting list in accordance with criterion (ii).

Waiting lists for community schools

8. The child's name will automatically be put on the waiting list, in criteria order, of any school which is a higher preference to the school he/she has been offered.
9. A parent/carer may ask for their child's name to be added to the waiting list of a lower preference school to the one the child has been offered, or on one that they did not originally name as a preference. His/her name will be added to the waiting list in criteria order.
10. The names of late applicants will be added to waiting lists in criteria order regardless of the date the application was received.
11. Waiting lists for community schools will be kept open throughout the academic year until the end of the summer term in July 2021. After this date, waiting lists will be disbanded and parents who would like their child's name to remain on any waiting list will need to request this in writing.

Applying for entry into the reception class of a primary or infant school

12. For children currently attending a school nursery, parents/carers must complete an application form for entry into the Reception class even if the child attends the nursery class at the same school. Priority is not given to children who attend the nursery class in the same school. This is to ensure that parents who place their children in other kinds of nursery, or do not use a nursery, are treated fairly when applying for a school place for their child.

Deferred entry or part-time attendance in Reception year

13. Parents can defer their child's entry to school until later in the school year or to attend part-time, but only until the child reaches compulsory school age in that school year i.e. the latest their child can start school is at the beginning of the summer term 2021. Once a place has been offered, parents can confirm the arrangements with the Head teacher of the school.

Admission outside of the child's normal age group

14. Parents seeking admission to an age group below their child's actual age should submit their request with their application by the closing date of 15 January 2020. They will also need to submit a separate written request and may provide supporting documentation should they wish to do so.
15. Each request will be carefully considered and a decision will be made on the individual merits of each case. The decision will take into account parents' views, information about their child's academic, social and emotional development, their medical history and the views of a medical professional, if applicable. Consideration will be given to whether they may naturally have fallen into a lower age group if it were not for being born prematurely and whether they have previously been educated outside of their normal age group. Views of senior school staff, the manager of their current early years setting and other professionals will also be taken into account.
16. For summer born children, if it is agreed that they can be educated in a younger year group, parents will need to re-apply in the following year for entry into Reception in September 2021.

Children with Special Educational Needs and Disabilities

17. If a child is undergoing an assessment of special educational needs and a parent/carer does not know what the outcome will be by the closing date of application, they should apply for a school place using the common application form. If a particular school is later named in the child's Education and Health Care Plan (EHCP), formerly known as a Statement of Special

Educational Needs, a place will be provided automatically for the child at that school.

Children with an EHCP (formerly known as Statement of Special Educational Needs)

18. If a child has an EHCP (or Statement), he/she will be offered a place at the school named in their EHCP, in accordance with the Education Act 1996 and the Special Educational Needs Code of Practice.

C. Scheme for co-ordinated secondary admissions

Co-ordinated Secondary School Admission Arrangements

21. The co-ordinated scheme for secondary admissions for September 2020 is attached as **Annex 2** and does not differ significantly from the LA's scheme for 2019 admissions except in the dates of the commonly agreed timetable.

D. Scheme for co-ordinated primary admissions

Co-ordinated Primary School Admission Arrangements

22. The co-ordinated scheme for primary admissions for September 2020 is attached as **Annex 3** and does not differ significantly from the LA's scheme for 2019 admissions except in the dates of the commonly agreed timetable.

E. In-Year Admissions Scheme for all maintained schools in Kingston

In-Year Admissions for 2020-2021 for all maintained schools

23. The proposed scheme which is attached as **Annex 4** is based on the principles of maintaining key benefits of the existing scheme and meeting the requirements of the School Admissions Code.
24. It is recognised by Kingston schools and the LA that the scheme may need to be amended as a result of ongoing review and work between LAs and schools to agree procedures that promote fair access and improve outcomes for pupil admissions to schools.
