

## **Council**

7 July 2020

### **Draft South London Waste Plan 2021-2036**

Executive Director, Place

Relevant Portfolio Holder: Councillor Rebekah Moll, Planning Policy & Economic Development Portfolio

## **Report**

1. The Response and Recovery Committee at its meeting on 25 June 2020 considered a report which is attached at **Annex 1** to this Report relating to the Draft South London Waste Plan 2021-2036.
2. The Committee agreed the three recommendations in the report at Annex 1, namely, to **recommend to Council** that:
  1. The Draft South London Waste Plan and associated documents be approved for a Regulation 19 consultation;
  2. The Draft South London Waste Plan and associated documents be approved for submission to the Secretary of State for Housing, Communities and Local Government, subject to no substantial modifications being required as a result of the consideration of the representations received.
  3. Any minor changes arising during or subsequent to the Examination-in-Public be delegated to the Assistant Director for Strategic Planning and Infrastructure in conjunction with the relevant Portfolio Holders.
